

IBRA - Armchair

IBRA is a comfortable armchair with an original shape. Its seat, backrest and armrests are covered with a soft, flexible polyurethane foam that provides a unique sense of comfort during use. IBRA armchair is available with 4 different and unique bases. The selection of the base significantly affects its appearance, so that you can adjust the character of the chair to the arrangement of the furnished interior. IBRA chairs are recommended for waiting rooms, offices, coffee shops and hotels.
